Evergreen Stories #14

Huh...?

OT/L NOTE: BORTHONG IS A MUFFLING DOG HEART

It's true

SPONSORED BY A BOSHIKANG RESTAURANT, ARE YOU OUT OF YOUR MINDS?!

BOO-

CHIEF, IT SEEMS LIKE THE CITIZENS ARE PRETTY MAD.

HUH?

NOW, NOW... EVERYONE PLEASE CALM DOWN...

BOOO-

BOOO-

DOES IT LOOK LIKE WE WANT TO CALM DOWN?!

DOES THE PARANG TOWN HALL EVEN CARE ABOUT DOG LOVERS?!

I MEAN...

HAVE YOU EVER SEEN US CARE ABOUT THE CITIZENS?

OH, THAT'S TRUE!

HAS THE PARANG TOWN HALL EVER DONE ANYTHING RIGHT?

Robbie!

The Citizens' Council

The citizens have been really concerned!

This is...?

What...?

UHHH... I CAME
TO SIGN UP TOO...

THIS IS NOT EVEN
CLOSE TO A DOG!!

NO SIR...
I AM A GREAT
BOOOOOOOOOOO

WELL... WHAT KIND OF
BRAINWASHING DID THE
KID OF THOSE...

YEAH...? THEN
WHAT BREED IS HE?

UHH... A HOMO
SAPIENS SAPIENS?

THAT'S A HUMAN!!

HUSKY! SIBERIAN HUSKY!

YELLS

DID YOU REALLY THINK
I'D BE FOOLED BY THAT?!

What happened to the contest...

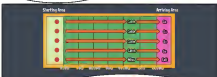

An unexpected guest

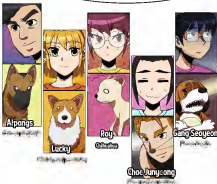

FOR THIS CONTEST, WE WILL USE MODIFIED RULES FROM OUR CHIEF THAT HAVE NOTHING TO DO WITH THE OFFICIAL COMPETITION.

THERE WILL BE (PARTICIPANTS) - 1 FRISBEE THROWN. AS SOON AS THEY ARE THROWN, THE DOGS WILL START RUNNING. THE DOGS THAT CATCH THE FRISBEE WILL ADVANCE, AND THE ONES THAT DON'T WILL BE ELIMINATED.

IF YOU ARE UNABLE TO CATCH THE FRISBEE EACH ROUND, YOU WILL BE ELIMINATED, AND THE LAST ONE STANDING WILL BE THE WINNER.

HMM! THIS CONTEST IS
FULL OF BEGINNERS.

THE RULES MAY
BE A BIT DIFFERENT,
BUT MY 3-TIME
WINNER ALPONS
CANNOT BE DEFEATED!

DON'T COUNT YOUR
CHICKENS BEFORE THEY
HATCH, MISTER.!!

WHO ARE YOU ON?!! WHY
ARE THERE HUMANS AT THE
STARTING LINES?

THEN READY? SET...

HOW...

HOW CAN SOMEONE BE SO FAST?!

What happens if a human and dog run together?

If we assume a human runs
100m in 10 seconds, a human
will have a speed of 36km/h.

Of course, this is
only possible by well
trained athletes.

Then what's the speed of a dog?

Around 50~60 km/h

The 'average dog' will be able to run this fast on average

If it's a trained dog or,
If it's the fastest dog, the 'Greyhound'

A dog can run up to 70km/h.

They're not comparable

A 2-legged human.

A 4-legged dog.

A natural born characteristic that cannot be overcome by effort.

A body that was made for running.

Unable to list out all the advantages compared to humans.

A dog is born with that.

Which is why a human cannot defeat a dog.

That's what I had believed.

But then one day, something unbelievable happened before my eyes.

The human that overtook a dog.

How is that possible?

If you think about the possibilities, the answer is simple.

That's right, he was born with a natural gift.

Something normal people couldn't even imagine, something you can't catch up to even if you work for it your whole life.

He was blessed by the gods with a fearsome physical ability...!

A phenomenon so rare that it might occur only once in a lifetime.

No matter how you look at it, a phenomenon so rare that anyone would find it strange..

Maar het daadwerkelijk gebeurd. Pero eso realmente sucedió.
 Ma è realmente accaduto. Ma è realmente accaduto.
 Но это действительно произошло. Но это действительно произошло.
 しかし、それが実際に起きた。
 그러나 실제로 일어났다.
 Maar een wereldwijd succes was het.
 Но это стал event в международном плане.
 Ma è realmente accaduto.

But it actually happened.

Using his physical ability, something that would be hard to find on the entire face of the earth

Seoyeon has achieved something no other human has.

Yes... if it's the current Seoyeon

You might even be able to call him a god. Or even better,

A GODDAMN IDIOT...
